BAC Rope Runners Shine at the Budweiser Center and Regional's

Eight local girls, from Berthoud Athletic Club's Rope Runner Team, recently gave the performance of their lives in front of more than 5,000 Eagle's hockey fans. The girls (Jo Buckley, Rheanna Goscha, Hannah Langer, Alison Miller, Samantha Mulder, Dani Pickert, Kelly Parrish, and Savanna Seat) performed their rope skipping tricks – turns, twists, skips, and kicks – to Nelly Furtago's song, Maneater. The crowd was ecstatic!

Four members of the BAC Rope Runners, Alison, Jo, Kelly, and Savanna, qualified for the USA Jump Rope's National competition by placing third in the Double Dutch Speed Pair competition at regionals. Nationals will be held in Orlando, FL in July.

In addition, Jo, Kelly, Savanna, and Samantha placed sixth in Single Rope Speed Relay. Jo, Kelly, and Savannah also placed sixth in Double Dutch Speed Relay. Hannah and Callie Ketner attended regionals and turned in fine performances, as well.

The BAC Rope Runners are led by world champion rope skipper, Bailey Bircher. She will be instructing summer camps for both beginners and advanced jumpers in June and July.
